Yearbook Staff

Nathaly Liranzo

Seminars & Design

I love medicine and plan on studying at either, MCLA or Bridgeport University . I liked yearbook because it helped me to communicate with other people and meet new people. It was tough taking yearbook photos of people who do not enjoy having their photos taken.

Eris Almonte

Photography & Design

I enlisted into the US Army and I enjoy singing and writing poetry. Over the summer I am going to basic training and get into shape. The hardest thing about yearbook was: getting good photos. The best part of yearbook was being creative!

Monet Rodriguez

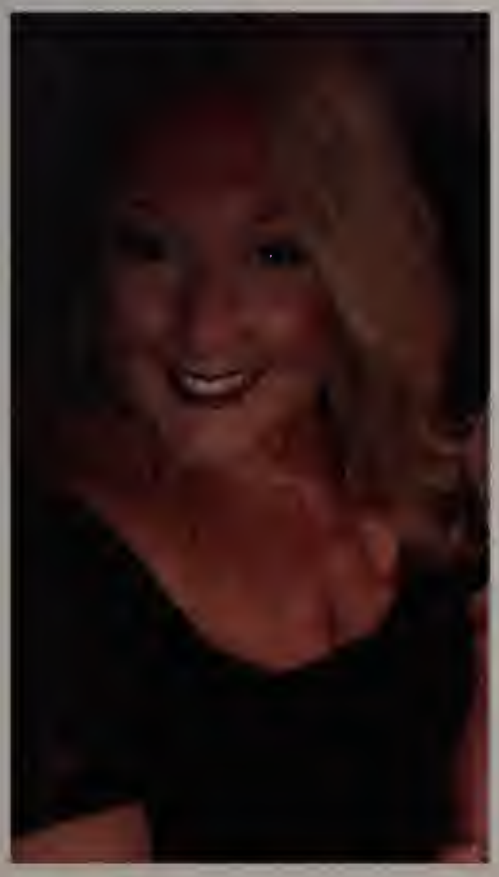
Photography

I am a junior here at LHS. I love sports and run track. I collected photography and helped Ms. Couture with any tasks that needed to be done!

Nayelly Rodriguez

Photography

I am a junior at Lawrence High School. I love to compose music and write stories. I sing every chance I get! When I graduate I plan to attend a music school. I'm passionate about nature and my favorite class is choir.



Ms. Couture

Yearbook Advisor

I am a 12th grade English teacher at LHS. I spend most of my time at the beach during the summer. Photography, theater, and live music are some of my favorite things. I loved working on LHS yearbook! It was a difficult task but, overall a great time. I appreciate my yearbook staff more than they know!
